**VORSICHT:**  
Gefährlicher Elferer mit erheblichen Nebenwirkungen auf die Demokratie

**Das beste Mittel gegen Hasspredigten:  
Eintreten in den LSVD!**

Benedikt XVI. diffamiert die Eingetragene Lebenspartnerschaft als "Legalisierung des Bösen". Der Lesben- und Schwulenverband (LSVD) bietet den Hasspredigten des Vatikans Paroli. Mit Aktionen, Protesten und Pressearbeit.

Damit der Vatikan keinen Einfluss auf die deutsche Gesellschaftspolitik bekommt, müssen Lesben und Schwule sich organisiert wehren. Je stärker der LSVD wird, desto besser können wir weitere Schritte zur Gleichstellung durchsetzen.

"Es ist nicht gut, dass der Mensch allein bleibt" (1. Buch Mose 2, 18). Das gilt auch für die Politik. **Nur gemeinsam sind wir stark.**  
**Deshalb: Jetzt eintreten in den LSVD!**
